

**GoMRI Core Area 3: Ecological / Ecosystem Impacts
Wetland Synthesis Working Group
Virtual Meetings-April 2020
Agenda**

Tuesday, April 28, 2020

09:00 – Welcome from GoMRI

Introduction of Leadership Group

Brief introductions by working group members

**09:20 -- Presentation of Overall Working Group Charge, Agenda and Goals for Virtual Meeting,
Introduction of Draft Conceptual Models (Roberts)**

09:40 – 10:55: Synthesis Presentations Part 1

09:40: Physical circulation / hydrology / forcings (Justic)

09:50: Physical forcings Discussion

09:55: Oil distribution / characterization / degradation (Overton)

10:05: Oil Discussion

10:10: Shoreline erosion and sediment transport (Mariotti)

10:20: Shoreline and sediments Discussion

10:25: Microbes (Bernhard and Engel)

10:35: Microbes Discussion

10:40: Biogeochemistry (Mortazzi and Roberts)

10:50: Biogeochemistry Discussion

11:30: Adjourn for Day

**GoMRI Core Area 3: Ecological / Ecosystem Impacts
Wetland Synthesis Working Group
Virtual Meetings-April 2020
Agenda**

Wednesday, April 29, 2020

09:00 – Welcome and short recap of Day 1

09:20 – 10:35: Synthesis Presentations Part 2

09:20: Vegetation (Mendelssohn et al)

09:30: Vegetation Discussion

09:35: Invertebrates (Fleeger and Husseneder)

09:45: Invertebrates Discussion

09:50: Birds / Mammals / Reptiles (Bonisoli-Alquati)

10:00: B/M/R Discussion

10:05: Fish (Martin)

10:15: Fish Discussion

10:25: Link to Microbial Synthesis: Core Area 6 (Joye)

10:30: Microbe Synthesis Discussion

10:35: Group Discussion

11:00: Revisitation of Conceptual Models

11:30: Charge for Next Meeting

11:45: Adjourn
